## **Consent to the use of photographs and film recordings**

During the conference, video recordings and photographs will be made of the plenary sessions, the workshops and of the excursions. It is planned to document the results of the conference by publishing some of the video recordings.

I hereby give my consent that the photographs and film recordings made during the IALB Conference 2021, which contain images of me, may be distributed, publicly displayed, edited and made available to third parties for use (§ 22 Satz 1 KunstUrhG, Germany).

The recordings made may be used by the IALB, the European Advisory Network EUFRAS and the South-East European Advisory Network SEASN within the framework of their tasks without any restrictions in terms of time, place and content and irrespective of the transmission, carrier and storage techniques (in particular electronic image processing). This right of use includes the right to reproduce, publish and distribute in all media, including the internet. This consent also includes the right to duplicate, edit and rework the templates. In principle, the IALB is not obliged to use the recordings.

This consent includes the right to post the recordings made on social networks (e.g. Facebook) and thus release them for general use in accordance with the respective terms of use.

This consent is free of charge and can be revoked in writing at any time for the future with the following proviso: In the case of printed works, revocability ends as soon as the print order has been placed. Even in the event of revocation and subsequent non-use of the relevant material by the IALB, material published on the internet may still be available on external websites, among others - the deletion of which the IALB cannot demand.

## **Consent to be included in the list of participants with contact details and to use the contact details to update the IALB membership directory.**

I agree that my contact details will be made available exclusively by the other conference participants of the IALB | EUFRAS | SEASN Conference 2021 in the list of participants. The IALB may use my contact details provided here to update the membership directory.
